Accountants and Consultants

The BDO Seidman, LLP

Internship Experience

Assurance & Tax

Some of our recent interns had this to say about the BDO Seidman Internship Program:

"The partners and managers were very approachable and welcoming of those eager to learn. The seniors and associates were knowledgeable and patient. They were prepared for some impressive sleeve-rolling to show me what accounting is really about."

Mimi Lo (NYU)

"My BDO internship provided a perfect opportunity for me to use the knowledge I acquired in school and apply it to a real practice."

Elsa Navarrete

(Cal State University Long Beach)

"My internship experience helped me differentiate myself in the marketplace and give me a competitive advantage over other graduating accounting students."

Clint Dobson

(Gonzaga University)

The BDO Seidman Internship Experience provides students an excellent opportunity to gain a thorough understanding of our business.

Our interns:

- Are treated as professional staff.
- Fulfill many of the same roles and responsibilities as first-year staff.
- Obtain face-to-face exposure with BDO Seidman clients.
- Are mentored by newer associates as well as top-level executives.
- Assist project teams with problem solving and fact finding.
- Work side-by-side with more experienced team members providing direction, coaching and learning opportunities.
- Are involved with various stages of the audit and tax process.

About BDO Seidman, LLP

- National professional services firm providing assurance, tax and financial advisory services to private and publicly traded businesses.
- More than 30 offices and 250 independent alliance firm locations nationwide
- U.S. Member Firm of BDO International, a worldwide network comprised of more than 600 member firm offices in 105 countries. Each BDO Member Firm is an independent legal entity in its own country.
- Increased revenues by 21% in fiscal year 2005.
- Ranked first among largest national accounting firms for work-life balance according to *Public Accounting Report's* 24th Annual Professor's Survey – November 2005. BDO Seidman also posted the largest percentage change in Overall Score, a category taking into account future outlook, client service, technical reputation, staff training, compensation, career opportunity and work-life balance.
