

Aloha Fellow Husky,

By way of introduction, I'm an alumni of University of Washington, graduated in 2004, and currently a Senior Tax Consultant with the Honolulu office of Deloitte. I am pleased to invite you to our Summer Showcase, an event which we aim to share with you information about our firm, the accounting profession, and opportunities in the Honolulu office.

Deloitte is one of the nation's leading professional services organizations and has one focus: helping our clients and our people excel. We recognize your potential and do our best to help you maximize it. So during your summer break, we encourage you to come learn about the Honolulu practice, the prestigious clients we serve and the opportunities for you at our Summer Showcase! Here's a preview of our information and opportunities.

The date of our gathering will be dependent on your best availability. So, if you are interested in joining us, please respond via e-mail or phone to my information below. For planning purposes, please RSVP by Monday, May 14th. Meanwhile, if you have any questions, don't hesitate to call me.

On behalf of Deloitte, we look forward to meeting you and sharing with you our many winning opportunities.

Mahalo and best wishes on your continued studies!

Kim
